

# The Ultimate Team Building Experience

*"Talent wins games, but teamwork and intelligence wins championships."*

You are invited to participate in a day of fun team building exercises designed to make your MAJORS understand the concept of working together and supporting each other which builds trust and improves team performance.

The boys are challenged with a variety of tasks that help develop a team spirit, encourage planning, communications and leadership. The session culminates with the kids in Fire Fighting protective clothing conducting low visibility searches using exterior radio guidance and depending on each other in a simulated life and death rescue operation.
